Strawhouse Wines Vineyard Apartment

One bedroom, boutique, self-contained apartment, the perfect retreat to get away from it all and wake to views over rows of vines and the sound of the great outdoors. The brand-new architect designed, artisan-built building, which also houses the cellar door,

is contemporary in style with top quality fittings, furniture, and linen and features a stylish accessible bathroom. It is set within the country landscape taking full advantage of the 180-degree view of the Strawhouse vineyard, Mount Canobolas and the Boree Creek Valley.

There is good phone reception but deliberately no television or wifi to assist you to relax and get the most out of your country getaway. Staying at Strawhouse will give you a unique experience of a family run vineyard where your hosts run the business from growing the grapes, to making the wine to selling it at the Cellar Door. A perfect place to base yourself: a quiet walk down the lane; a walk or bike ride up the mountain; or a 10 minute / 12 km drive into Orange to visit other wonderful cellar doors, fabulous restaurants, galleries and world class golf courses.

To make the most your stay, book a private wine tasting in the cellar door or a picnic hamper full of beautiful local produce. We are more than happy to give you advice and help you plan your visit.

Your hosts are available during your stay by phone or text. They will either greet you in person or communicate clear access instructions. The property is a working vineyard and cellar door and the hosts are happy to discuss with guests what they would like to do during their stay. Guests can also take the time to relax in the apartment which is private and completely separate from the family home (Strawhouse). Privacy blinds enable guests to enjoy the views. Blackout blinds ensure privacy at night.

It's always a good time of year to visit Orange. In winter, cosy up in front of the fire, annual FOOD Festival in April, the striking autumn leaves during the harvest, or enjoy the gorgeous cherry blossoms and annual Wine Festival in spring. Each season has its own beauty and charm.
